Enlightened gentlemen residing and carrying on business, and it is hardly a town of [illegible] importance. The Government of India the President to be elected by the mil cl may perhaps be tried here with fair chances of success

4) The argument advanced by the A that most of the non-offl members are overburdened with their own affairs and may not find time to attend to mil does not seem to be quite fair, for the same argument holds good in the case of Ex-officio Mrs also

7) This appears to be a apt case in which Govt may take advantage

Election in the mil cl Nomination would perhaps be vested by a progressive mil a like Tinnelly

We depend a measure power in municipal matters at this Head Quarters. But my experience & knowledge and the above shows that his Dy Comm^r do not differ in power and prestige by his appt & non-official presidents & municipalities. We were two & being an appointed one by non official as by official I would extend his system & appt an non official as President & the Dundee Municipality like Dundee Municipal Council has resolved where an elected President, but his Dy Comm^r recommends two names out. When an official & non-official President & a letter to join an elected one who commands his confidence & their people rather than a nominated one. The recommendation of his Municipal Council may be approved —

Office of the Deputy Commissioner,
Tumkur District,
Dated Tumkur, the 12th November 1919

From

Ananda Rao Sirsi, Esq, B A, LL B,
Offg Deputy Commissioner, Tumkur District

To

B Ramaswamiah, Esq, B A, B.L,
Secretary to Government of His Highness the
Maharaja of Mysore, Revenue Department, Bangalore

Sir,

I have the honour to forward herewith a resolution of the Municipal Council of Tumkur Town passed at their meeting held on the 30th July 1919 to move the Government to empower the Council to elect a President from among the non-official Councillors thereof This proposition was carried by 8 out of 13 present, voting for it

2 In this connection I beg to add that it is ascertained that except the two City Municipalities of Bangalore and Mysore, the Municipalities of Chikmagalur Town and Kolar Town have each got a non-official President, appointed in the former and nominated in the latter by Government from 1st July 1918

3 The Municipal Council of Tumkur request to confer on them the right of electing a President from among the non-official Councillors

4 As yet, I believe there is no City or Town in the State where there is an elected President If gentlemen who can command leisure and possess experience, can be found for the office, it is desirable to try the experiment of nomination to start with There is no use of burdening gentlemen who are already overburdened with their own business, to do the work of the President

5 This Town is having an elected Vice President only for the last 4 years However the resolution of the Council is submitted
